

THANK YOU

Congratulations, to the MABU instructors who added to their teaching credentials and knowledge by successfully meeting requirements for receiving ACBL and Audrey Grant Better Bridge Teachers Accreditation. The MABU appreciates that each of you made a personal financial investment to participate in this rigorous one and a half day Better Bridge Teachers program. I am pleased to share your success with our bridge friends and know that you will share your knowledge through the MABU Bridge Academy, in your Clubs and other venues. Evelyn Lewis is to be especially commended, after missing most of the first day of the Atlanta course, Evelyn traveled to Durham, N.C. where she completed all requirements.

Again, I thank each of you for your personal commitment to learning and the enjoyment of bridge.
